**DISCUSSION/INFORMATION ITEMS**

- Bond Project Update – deferred to Superintendent’s Report;
- Policy – First readings – Superintendent Furton met with the policy committee last week to review the assorted policy updates, many of which are repetitive. These policy updates will be recommended to the Board at the January meeting, and he encouraged all Board members to review the changes before that meeting.
- Curt Theune inquired about the recent guns in schools ruling by the Michigan Court of Appeals and what impact that may have on the District’s policy. Superintendent Furton recommended reviewing the information from Ann Arbor and Clio school districts and then making a decision at that point on whether it is better to wait until it goes through the Supreme Court on appeal, which it most likely will, or act on a policy change now.
- Central Office Holiday Hours –
  - Central office will be closed December 23, 26, 30 and January 2.
  - Office hours for December 27, 28 and 29 will be 9:00 a.m. to 12:00 Noon and 1:00 p.m. to 3:00 p.m.
PUBLIC COMMENTS

Deb Mertz-Hulverson, 15292 North Scenic Drive, Spring Lake, inquired about the potential bond project list that was discussed at the last Board meeting and is now going to be put out for bid. She questioned if the Intermediate School playground was on the list to be bid out. She further inquired if once the bids are received for the items on the list, if they would be brought before the Board at a public meeting to be discussed. Superintendent Furton addressed her questions and indicated that the Intermediate School playground is not on the list, and that if any bond projects from the list need to be revisited due to cost or a reduction in the scope of the project as originally approved, they would be brought back before the Board. He further indicated that the award of the bids will be formally approved by the Board at a public meeting.

SUPERINTENDENT’S REPORT

Superintendent Furton provided his report to the Board and commented on the following:

- Legislative update was provided to the Board and highlights were given on the Lame Duck session.
