The Spring Lake Public Schools Chromebook Initiative allows your child to take a Google Chromebook home. Taking home a Chromebook expands the learning day and allows students to complete projects started at school.

**I have reviewed the Chromebook Handbook for Students and Parents on the Intermediate school website at <https://www.springlakeschools.org/intermediate-school/forms-handbook-policies/> and understand the Rules and Guidelines for appropriate use. Please check each item as reviewed.**

- Care and Maintenance of the Chromebook
- Cost of the Chromebook
- Damaged, Lost, or Stolen Chromebook
- Distribution of Chromebook
- Student Use of the Chromebook including Internet access, ethical, and appropriate use.

**Terms of Agreement**

The student is responsible at all times for the care and appropriate use of the assigned Chromebook. If the student violates the guidelines agreed to in the District Technology Acceptable Use Policy or the rules and guidelines as explained in the Chromebook Handbook for Students and Parents, his/her privilege to take the Chromebook home may be restricted or removed and he/she may be subject to disciplinary action.

I understand that:

- Full replacement cost for the Chromebook is approximately \$180. In the event of verified theft or accidental damage, insurance will cover the cost of replacing or repairing the Chromebook.
- Insurance/Technology Fee for each Chromebook will be purchased by families. The cost is \$15 and will be paid to the school upon receipt of device. The appropriate care of Chromebooks will allow the future rates for these fees to stay low.

**The Chromebook remains the property of Spring Lake Public Schools.** At the end of the school year or upon transfer from the district, parents and student agree to return the Chromebook to the school in the same condition it was issued to the student, less reasonable wear.
