_____ Technical Education – Design

_____ Tri Choir

_____ Wild Reads

Elective class descriptions, as well as other information, can be found in the Course Selection Guide. The Course Selection Guide and registration forms can be found at Spring Lake Middle School’s website. Click on “Academics” and then “Guidance Department.”

Please remember, the requests you make on this form and in PowerSchool are requests. We make every effort to give students the classes they want. However, some students will end up taking an alternate class.

Availability of elective course offerings will ultimately be determined by interest. If numbers do not warrant offering a class, it will be removed from the master schedule and students will be enrolled in a different class.

Class requests made by students with an IEP or students receiving Title 1 assistance may be changed according to need. At this time, students cannot register for resource room or Title 1 classes.

Students who successfully complete Intro. to World Language will earn 0.5 credits toward the 2.0 Michigan Merit Curriculum credit requirement. All students are encouraged to take at least one foreign language class while attending Spring Lake Middle School.

If you have any questions about the registration process, please contact Shana Woodwyk in the Guidance Office at swoodwyk@springlakeschools.org or (616) 846-5502.

*Art 1 is a prerequisite to Art 2. Both classes can be taken in the same year.
