

**STUDENT/PARENT iPad
Agreement 2019-2020**

Student Name: _____ Parent Name: _____

Teacher: _____

The Spring Lake Public Schools iPad Initiative allows your child to take an Apple iPad home. Taking the iPad home expands the learning day and allows students to complete projects started at school.

I have reviewed the iPad Handbook for Students and Parents and understand the Rules and Guidelines for appropriate use. Please check each item as reviewed.

- Care and Maintenance of the iPad
- Cost of the iPad
- Damaged, Lost or Stolen iPads
- Distribution of iPads
- Student Use of the iPad including Internet access, ethical, and appropriate use.

Terms of Agreement

The student is responsible at all times for the care and appropriate use of the assigned iPad. If the student violates the guidelines agreed to in the District Technology Acceptable Use Policy or the rules and guidelines as explained in the iPad Handbook for Students and Parents, his/her privilege to take the iPad home may be restricted or removed and he/she may be subject to disciplinary action.

I understand that:

- Full replacement cost for the iPad is approximately \$450. In the event of theft or accidental damage, insurance will cover the cost of a new iPad for a \$50 deductible.

- Insurance for each iPad MUST be purchased by families. The cost is \$15 and can be paid to the SLPS. For your own tracking purposes we encourage payment by check over cash.

The iPad remains the property of Spring Lake Public Schools. At the end of the school year or upon transfer from the district, parents and student agree to return the iPad to the school in the same condition it was issued to the student, less reasonable wear.
