PUBLIC SCHOOLS

The Extended COVID-19 Learning Plan provides that the district shall ensure that 2 two-way interactions occur between a pupil enrolled in the district and the pupil's teacher or at least one of the pupil's teachers during each week of the school year for at least 75% of pupils enrolled in the district. These interactions may be used toward the satisfaction of two-way requirements for attendance and membership purposes. The district shall publicly announce its weekly interaction rates under this subdivision at each extended COVID-19 learning plan reconfirmation meeting and make those rates accessible through the transparency reporting link located on the district's website each month.
